

Wise Villa Winery 2019 PINOT NOIR

Awards: Silver Medal in SF Chronicle

Our 2019 Pinot Noir displays flavors of cherry, strawberry, clove, tea leaves, herbs, vanilla, and dried roses, with a lush finish. Pairs best with pasta and cured meat.

WINEMAKER'S TASTING NOTES:

"Pinot noir, originally from Burgundy, is renowned for its bright red fruit flavors combined with spicy elements and subtle herbaceous & earthy notes and moderate, smooth tannins & acid. At Wise Villa, our Pinot Noir combines the best of European tradition & American technique. The 2019 vintage had a hot summer with a cool fall, allowing the Pinot Noir to reach full ripeness slowly while retaining fresh fruit & acidity. After hand-picking the grapes, we destemmed but left the berries whole, resulting in partial carbonic maceration (an internal metabolic fermentation which produces candied fruit flavors). We then fermented this wine on the skins in stainless steel tanks at a cool temperature of 65F for 3 weeks, including a 3 day cold soak and extended maceration. This extended skin contact ensured good color, spice and earthy flavor. We aged this wine on 35% new French and American oak and cherry wood. 100% sur lies aging and battonage (stirring of the yeast lees) contributed extra creamy, pastry flavors. The final wine is deep, rich and full of fruit, spice and vanilla notes."

---Owner & Founder Dr. Grover Lee & Winemaker Steven Eriksen

Varietals

100% Pinot Noir

Apellation

Lincoln, Placer County, Sierra Foothills

Climate

Continental, warm dry days and cool nights with 40°F temperature shifts

Exposure

North facing slopes

Trellis

VSP

Destemming, Fermentation, & Pressing

Destemmed, 3 day cold soak with natural yeast present, 11 day fermentation with punch downs, 7 day extended maceration. Pressed direct to barrels on full lees and aged 10 months.

Soil

Loamy sand

Picked (sugar level)

24.5 Brix

Alcohol

13.6%

Acidity

6.4 g/L total acidity & 3.52 pH

Aging

35% new oak, French & Minnesota with cherry wood insets, 65% neutral oak for 10 months on full sur lies contact with monthly stirring.
