1. 2020 Reserve Sangiovese
Our Estate's 2020 Reserve Sangiovese opens with vibrant aromas of ripe cherry, wild strawberry, and gentle notes of roasted red pepper and clove, accented by vanilla and dried rose petals. Hand-picked grapes underwent partial carbonic maceration, cold soaking, and slow fermentation before aging 48 months in new French and American oak, developing layers of creamy texture and depth. Finished with a touch of Petite Sirah,

2. 2019 Reserve Cabernet Sauvignon
Our Estate's 2019 Reserve Cabernet Sauvignon reveals deep layers of dark cherry, blackberry, and plum woven with notes of clove, vanilla, and black pepper, while whispers of chocolate and coffee enrich its full-bodied finish. Cold soaking, whole-berry fermentation, and 48 months of sur lie aging in French and American oak lend elegance, depth, and a regal balance of earth, leather, and tobacco—befitting the "King of Wines."

3. 2019 Reserve Tannat
Our Estate's 2019 Reserve Tannat is a bold, complex wine layered with black plum, blackberry, dark chocolate, and vanilla, finishing with firm tannins and a long, lingering richness. Originating from France and made famous in Uruguay, this California-grown vintage showcases Tannat's signature depth and intensity, refined by extended skin contact, 48 months of sur lie aging, and monthly battonage for a powerful yet balanced expression.
